Here's what attendees said about BIOMEDevice Silicon Valley 2022...

"BIOMEDevice has a good market focus in a region rich with large medical device firms. This offers a large talent pool good for networking and collaboration."

"Great exposure to the latest and greatest in biomaterial for medical devices."

"Plenty of expertise to be shared from both exhibitors and presenters."

"...this event is very valuable to the individual as well as their company as they would have valuable insight..."
